

**We currently have exciting opportunities to join our growing team as a Salaried GP. Are you interested in putting patient care at the forefront of the work you deliver? If so, MMP is the right team for you! We are currently looking for highly motivated SGPs to join us on our exciting journey.**

**MMP enhanced salary at £90,000 per annum (£10,000 a session for 9 sessions)**

**Competitive benefits package including; Medical Defence Fees reimbursed for your contractual sessions and NHS pension.**

Our SGPs enjoy attending quarterly SGP meetings in addition to quarterly MMP clinical PDT events focusing on educational learning and sharing of best practice. As a MMP SGP, you will benefit from your own personalised development, being offered a mentor who can support you through your SGP journey. You will enjoy support from our Clinical Target Team who will assist and advise on a bespoke strategy around clinical work.

**In addition, we are committed to developing our SGPs and support further progression with our Lead SGP roles .Our sites also strive to offer our employees flexibility around working patterns and their individual needs.**

**Midlands Medical Partnership (MMP) is a Birmingham super-partnership currently caring for over 70,000 Birmingham Cross-City CCG patients across North and South Birmingham as a single team operating across 11 sites.**

We aim to ensure our services and functions operate in the most efficient way, meaning clinicians can focus on their core role and delivering a high standard of patient care.

This dynamic partnership with a team of over 200 clinicians and staff is managed by a single executive board, with centralised organisational functions, strong leadership and governance structures. This is all delivered whilst maintaining a patient centred, individual approach at each of our sites.

MMP was the first large scale general practice provider in England to be awarded an 'outstanding' rating from CQC in March 2017.

We currently have flexible sessions available at the following Sites:
