

Update - Dudley Park Medical Centre Premises

We are pleased to inform you that MMP has confirmed and signed a lease extension with the landlord until October 2021. This means that the surgery will remain secure and continue in this current location on Dudley Park Road for the foreseeable future.

MMP and NHS Birmingham & Solihull Clinical Commissioning Group (BSol CCG) are continuing to explore potentially viable premises options within the local area.

MMP, BSol CCG and the DPMC Patient Participation Group members have been in communication regarding the premises options and will continue to share updates moving forward.
