

PATIENT ENGAGEMENT EVENTS

DUDLEY PARK MEDICAL CENTRE PREMISES

Following changes to the ownership of the building where Dudley Park Medical Centre is based, Midlands Medical Partnership (MMP) and NHS Birmingham and Solihull Clinical Commissioning Group (CCG) have been working together to find alternative and appropriate premises in the local area.

MMP are delighted to share we have now secured a plot of land which will enable the development of a new medical centre located at the rear of Fox Hollies Leisure Centre, Shirley Road, Acocks Green, B27 7NS.

We are extremely grateful to Birmingham City Council who have supported us in identifying this land that is currently progressing through the council processes and moving into planning applications.

We estimate to be able to open the new surgery sometime late 2023.

Until the proposed move is complete, patients and staff will remain at the Dudley Park Medical Centre premises.

MMP would like to invite patients to attend our open-door engagement events at Dudley Park Medical Centre where our Executive Chairman and Executive Partner will be available to take your questions and comments:

Wednesday 6th July 3pm-5pm

Wednesday 13th July 2pm-4pm
