

Home Visits

Home visit requests are taken for house bound patients only. A clinician may contact the patient prior to visit to determine the nature of the illness.

Evenings & Weekends [Out of Hours]

Washwood Heath Urgent Care Centre

Washwood Heath Health and Wellbeing Centre,
Clodeshall Rd, Saltley, Birmingham B8 3SN

Opening times: Mon-Sun: 9am-9pm

Telephone: 0121 322 4310

NHS 111 Advice Line

111 are a 24-hour service offering NHS medical advice. If needed, an appointment can be made with the Out of Hours GP Service.

Repeat Prescription

Repeat prescriptions will be issued at the doctor's discretion and are normally for patients on long-term treatment. Requests for prescriptions must be made through the Prescription Ordering Department on 0121 468 206. We are unable to take orders or issue repeat prescriptions at weekends, public holidays or out of normal hours. Please allow two complete working days before collection and make allowances for weekends and public holidays. Where possible give exact drug names when ordering.

Please request repeat medication well in advance and remember to make an appointment to see the doctor before your review date expires.

The practice offers the Electronic Prescription Service (EPS), allowing patients to collect some acute and repeat prescriptions directly from their nominated pharmacy.

The centre is able to transmit prescription requests directly to the pharmacy. Please discuss this with your pharmacist if you are interested in setting this up.

<https://systmonline.tpp-uk.com>

Please ask the reception staff for more details.

Carers

The practice is keen to look after the health of carers and offers annual carers health checks with the GPs. More support can be found on www.forwardcarers.org.uk/local-services/birmingham/

Tel. 0333 006 9711 [Forward Carers]

Confidentiality

Your personal health information and records are held in **confidence** and **cannot be disclosed** to anyone **without your express consent**. This applies to information that is held in both hard-copy and electronic form. The Practice is registered under the **Data Protection Act**. Under the **Access to Health Records Act 1990**, patients have a right to access their medical records if they wish. Please ask at reception for further information.

Zero Tolerance

We strongly support the NHS policy on zero tolerance. Anyone attending the practice that abuses the GPs, staff or other patients be it verbally, physically or in any threatening manner whatsoever, will risk removal from the practice list. In extreme cases we may summon the police to remove offenders from the practice premises.

Medical Records and Access to Medical Records

The Practice is registered with and complies with the above named Act of Parliament. Further information is available at www.foi.nhs.uk

For more information please visit the practice website

Named GP

All our patients have a named GP who is responsible for your overall care at the practice, you should contact the practice if you wish to know who this is, and that if you have a preference as to which GP that is, the practice will make reasonable efforts to accommodate your request.

NHS Birmingham & Solihull Integrated Care Board (ICB)

ICB: Birmingham And Solihull Integrated Care Board

Patient Rights and Responsibilities

Clinical and other staff at Saltley and Fernbank Medical Practice undertake to provide our patients with the **highest standards of care**, subject to resource and legal constraints. In return, we expect patients to **work with us** to help us meet this commitment. Persistent **non-compliance** with advice and/or medication, and persistent **failure to attend booked appointments** either with the Practice or with secondary care will make it very difficult to provide **safe care** to our patients and may result in the Practice asking you to **change your GP**.

Your Views

We actively **welcome comments** from our patient population in order to try and **improve our services** in line with **patient needs and preferences**. There is a **suggestions box** in the main reception area where you can leave anonymous comments. The Practice endeavours to **review these comments** on a regular basis. We also conduct specific **patient surveys** on a regular basis. We also have a **Patient Participation Group**. Further details may be found on our website, or enquire at reception.

Non-NHS Services

Some services, such as passport forms, insurance claim forms, private sick notes, etc., are **not covered** by the GP's NHS contract. There is therefore likely to be a **charge** for performing these services. For further information, please see the Practice website, or ask at reception.

Languages

Current staff members speak the following languages:

ENGLISH URDU HINDI BENGALI PUNJABI MIRPURI PASHTO ROMANIAN

If you require an interpreter, please make the reception team aware of your requirements at the time of making the booking.

Disabled Access

We aim to make the Practice **accessible to all premises users**, including **those with disabilities**. The car park has designated parking for patients with disabilities and the building has suitable access for disabled patients.

All internal doors afford easy **access for wheelchairs**. At our fernbank site, a lift enables access to the first floor.

There are **disabled toilets** at both sites.

Test Results

Test results are only communicated to the patient for whom the test was conducted. We **do not** routinely inform patients of normal results. In cases of **abnormal results** you will be **contacted by the Practice**.

Change of Personal Details

Patients are asked to notify the practice as soon as possible of any change of name, address or telephone number; not forgetting to indicate all the persons involved in this change. In an emergency this could be absolutely vital.

Sickness Certification

If you are off work for seven days or less, no certificate is required. However, you may need to complete a self-certification form, which is obtainable from your employer. The practice also has a supply of these forms.

If you are absent from work for seven days or more, because of illness, you may require a doctor's certificate. In which case, you must arrange an appointment with a doctor; otherwise a certificate will not be issued

If for whatever reason, you require a doctor's certificate covering a period of less than seven days, a private certificate can be issued at an appointment; there will be a charge for such a certificate.

Chaperone

Should you need a chaperone present at a consultation or procedure then please alert reception staff that can ensure that one is available for the appointment. It is standard practice policy for patients to be offered a chaperone for any examination.

Late Arrivals for Appointments

If a patient is late for a routine appointment, it is practice policy to ask the patient to make another appointment, however, the doctor or nurse may still see you if time allows. Time keeping is essential if we are to provide patients with the best treatment and service they expect. We do ask for your patience if the clinician is running slightly late. We endeavour to run to time but the nature of our work does not always allow this to be possible.

How to Complain

In the first instance if you have a complaint or concern, please email or write to us for the attention of the site manager you attended.

or email us at:

saltleyandfernbank.medicalpractice@nhs.net. There is also a 'Complaints and Comments leaflet' available from reception.

How to Register

Please call or attend our practice to complete the **GMS1 Form**.

You can also download this form via:

www.nhs.uk/ServiceDirectories/Documents/GMS1.pdf

All new registrants are asked for one **proof of identity** (photo ID) and one **proof of address**. If you are unable to provide either or both of these, then please **ask at the reception desk** and we will do our best to help you.

Patient Participation Group (PPG)

The Patient Participation Group is a voluntary practice-based organisation which meets regularly with the practice clinical staff and managers (usually on a quarterly basis) to highlight and resolve any problems relating to how services are provided, to

give advice on forthcoming changes and developments and how these will affect the patients. Membership to this group is open to any patient over 16 years of age. Please speak to a member of the reception team for further information.

Text Messaging Service

For the benefit of our patients, we use an ICB approved text messaging service for a number of uses, including appointments, other reminders and health messages. If you wish to opt out of this service please inform the reception team.
